

A photograph of the Mockingbird Zero Proof Cocktail Bar at night. The building is a dark red color with several windows. A large tree is on the left side of the frame. The bar's name is illuminated in large, glowing letters above the entrance. Below the name, it says "ZERO PROOF COCKTAIL BAR". The entrance has a dark door with the number "213" above it. People are walking on the sidewalk in front of the bar, and some are looking towards the entrance. The interior of the bar is visible through the large windows, showing people sitting at tables and a bar area.
